If you're going from an older thermostat to a new smart one, you may find that your system is without a C wire. If that's the case, you can install one, pay to install one, or simply grab one of these ...

Best smart thermostats that don't require a C wire 2022

That app is home to a complete user manual as well, an idea I wish every other vendor would copy. The 330NB didn't do a great job of noise canceling, at least compared with the other earbuds I tried.
