Empress of the world by Sara Ryan is a very moving meaningful story that deals with very touchy subjects. Such as love, friendship, and finding yourself.

Empress of the World (Battle Hall Davies, #1) by Sara Ryan

Empress of the World is great. Ryan's prose is smooth and flawless, you get quickly immersed in Nicola's way of thinking and looking at the world, which is not something easy to do for any writer. While it was evident the character of Battle was the intended "goal" of the story, I thought Nicola was a much more interesting person and puzzle.

Royal in 1841. She was the mother of Wilhelm II, German Emperor.

Victoria, Princess Royal - Wikipedia

The World brings measure to The Empress' abundance; she brings orderly conclusion to The Empress' fertile beginning. The World's energy and openness balances The Empress' immobility and formality. Unintegrated and imperfectly realized, The World can be awkward and inappropriate, brazen and overbearing, heavy-handed and destructive, stiffly traditional and unimaginative. The Empress can be wildly self-indulgent, unaware of and unconcerned with consequences.

The Tarot School: World-Empress Birth Cards

A little while back, I was rummaging through Amazon to find lesbian teen novels and fell on Empress Of The World. I found the cover so beautifully poetic and evocative that I immediately bought it. The story is beautiful, the characters endearing and the story-telling wonderful!

Fortune, Empress of the world (Vinyl) - YouTube

Empress of the World was written at a time when female/female romances usually ended in death and was bold enough to present a realistic romantic fling between two teenage girls. However, reading this novel 15 years later, it's not fantastic.
