GERALD J. THUESEN Gerald J. Thuesen is Professor Emeritus in the School of Industrial and Systems Engineering at the Georgia Institute of Technology. He received his B.S., M.S. and Ph.D. in Industrial Engineering from Stanford University.

Engineering Economy A Historical Perspective

Engineering Economy by G. J. Thuesen 9th edition. Good book to prepare for the FE exam it shows calculations in two formats, the traditional math way (1+i/n) and the "functional factor designation (P/F,i,n) with corresponding table lookup values. The latter being the preferred method of engineers as that is the format on the FE exam.

Engineering Economy - G. J. Thuesen, Wolter J. Fabrycky ...

Engineering Economy presents a crisp, bold new design using color, highlighting and icons to focus on important concepts, terms, equations and decision guidelines. There are new features, new topics (such as ethics and staged decision making), and new online tools; yet no compromise on coverage, examples, or the well-accepted writing style of ...
