Eric Ambler's 1938 novel
Epitaph for a Spy is a
perfect example of his
distinctive approach to spy
fiction. Ambler's heroes
were not professional spies
but ordinary people caught
up in the dangerous web of
espionage. They do not
thereby metamorphose into
brave and noble heroes.

Epitaph for a Spy is an excellent representative sample of Ambler's work. In a footnote written in 1951 Ambler states that he "wrote Epitaph for a Spy in 1937 and it was a mild attempt at realism". 1937 was certainly a good year for realism in Europe and Ambler does an excellent job setting a realistic mood for a continent on the brink of another major war.
