The K Park- Textbook of Preventive and Social Medicine is a book of PSM (Community Medicine) that is used by the medical students in their third year of mbbs. So far, it's one good book set in curriculum of third year. The detailed and lengthy book does haunt for sometimes, but then medicos get used to it. We have provided the links to K

Academics. At New York Medical College, our students learn in classrooms, labs and at patient bedsides. As a result of our focus on strong academics, scientific research and practical experience, New York Medical College students often get their first-choice matches and are well-prepared for the careers they seek.
