The IELTS listening test has 4 sections. The listening test for the IELTS general exam and the IELTS academic exam are the same. The first 2 parts of this test are general everyday situations like a telephone call, booking a hotel, contacting a school, information on a company etc. the third part is more academic with usually 2 speakers such as someone discussing an assignment, a student and teacher talking and so on.

Today, I want to talk about self-regulatory focus theory and how the actions of leaders can affect the way followers approach different situations. Self-regulatory focus theory is a theory developed by Tori Higgins. He says that a person ' s focus at any given time is to either approach pleasure or avoid pain.
