Fools and Mortals is a 2017 historical novel by Bernard Cornwell set in Elizabethan London. The protagonist is a younger brother of William Shakespeare

Fools and Mortals - Wikipedia

'Fools and Mortals' depicted a moment where the course of entertainment was changed. The battles were not bloody, but no less hard fought. As always in Bernard Cornwell's novels, an air of authenticity permeated every page, and the creation of 'A Midsummer Night's Dream' as seen through the eyes of Richard Shakespeare, a brother, gave depth and meaning to this most frivolous of Shakespeare's works.

Fools and Mortals – HarperCollins

Fools and Mortals In the late sixteenth century as the English theater begins to flourish outside of London, a growing number of playhouses, playwrights, and actors vie for glory and success. In this bawdy, brutally competitive world, young actor Richard Shakespeare struggles to make his mark in a theater company dominated by his estranged older brother, William.
