Fourth Edition An Introduction Accounting

This revised and fully updated edition continues to provide students with a clear and well-structured introduction to financial and management accounting. The fourth edition retains all of the classic features that have contributed to the book's success: clarity of expression, the focus on the accounting equation, student activities and real-life commentaries running through each chapter, and the inclusion of the Safe and Sure Annual Report as a real world example of a listed company.

Financial Accounting - Jacqui Kew; Alex Watson; Riley ...

(* E. B. White wrote this introduction for the 1979 edition.) I passed the course, graduated from the university, and forgot the book but not the professor. Some thirty-eight years later, the book bobbed up again in my life when Macmillan commissioned me to revise it for the college market and the general trade. Meantime, Professor Strunk had died.
