Students get Credibility Points by answering questions from mission operatives. Each question has a point value of 100, for a correct answer on the first try. A correct answer on the second try yields 50 points; on the third try, it's 25 points. After the third attempt, a correct answer is worth only 10 points.

The Gen i Revolution consists of sixteen interactive missions in which students complete a variety of activities to help them learn important personal finance concepts. Within each mission, students are introduced to a character who is facing a particular financial crisis. As a part of the Gen i Revolution, the student learns about the crisis, strategically selects "Operatives", and then completes activities with the ultimate goal of solving the mission.
