The politics of Georgia change frequently and often follow the rest of the United States in major historical landmarks. The state has a long history, starting in the 18th century as a British colony. The cultural makeup of the early colony led to a ban on slavery being overturned soon after its implementation, setting the stage for the many plantations in the state. Rival governments were formed during the Revolutionary War, with the Patriot government surviving and forming a unified state gover

Politics of Georgia (U.S. state) - Wikipedia

Politics in Georgia involve a parliamentary representative democratic republic with a multi-party system. The President of Georgia is the ceremonial head of state and the Prime Minister of Georgia is the head of government. The President and the Government wield executive power. Legislative power is vested in both the Government and the unicameral Parliament of Georgia. After the Rose Revolution of 2003, the National Movement - Democrats dominated the party system. Georgia became a ...
