GLO-BUS is the world's only truly international simulation where the focus is on competitive business strategy. GLO-BUS is a completely online exercise where teams of students run a digital camera company in head-to-head competition against companies run by other class members. Company operations parallel those of actual digital camera companies.

~~About the GLO-BUS Business Strategy Simulation~~

"Many MBA programs have a strategic management course that uses one of two popular online simulation games, BSG and GLO-BUS. This is usually a capstone course that's intended to integrate the knowledge from the business core such as economics, finance, accounting, production, distribution, marketing, and supply-chain management.
