This workbook is for people in recovery from alcohol or other drug addiction who have a history of relapse, or are afraid they might relapse. There continues to be confusion and misunderstanding about what relapse is and how it happens. In this workbook, the definition of relapse is clarified, how it happens, and most importantly how to prevent a person from entering the relapse cycle.

A relapse prevention plan is a tool to help you as you continue your life free from drugs. The following questions will help you examine your past behavior and how you overcame your dependence on drugs. By doing this, you will be better prepared to deal with similar situations in the future so you can respond in healthy and pro-social ways. ...
