As Graco entered the 21st century, we celebrated the company ' s 75 th anniversary in 2001. From 2000 to 2010 we continued to thrive through well-defined goals and strategies that yielded top-quality products in every line of business. Among them was our first Reactor™ for applying 2-component foams, polyurea and epoxies.

## Company History | Graco

It is, of course, a car with detachable seats, but the special feature is that as a touring car it is comfortable, roomy, stylish and handsome, while as a runabout it is racy and rakish in appearance. In the rear is a large seat, arranged to carry a folding, reclining top, which may be raised and extended over the front seat.
