Cooking is one of the easiest skills to achieve max level for in the game. It makes a great 99 goal for new and veteran players alike. Before we begin, I highly recommend that you read up on the important item: Cooking Gauntlets. They will allow you to stop burning food at a much lower level than normal.

OSRS Cooking Guide: 1-99 Training Method - GameDB

Cooking is a skill that allows raw food to be made edible, healing hitpoints when eaten. To do this, the player uses a raw, cookable food on a range or fire. Depending on the player's Cooking level, food will sometimes burn, becoming unusable. Ranges burn food less often than fires at the same level, and some foods can only be cooked on ranges.

I just got 99 cooking doing nothing but sharks from 85 to 99. I grinned out 85-92 in no time but had to stop for school. You can cook 1400 in an hour granting almost 300k xp per hour, so it's about an hour or two for a level up until then. I did 92-99 in three days of playing about 6-8 hours a day and made almost 10m profit.
