Factory, Service and Gun / Shotgun Repairs

This motor case, original to the gun, was in very rough shape and needed extensive frame and exterior leatherwork done, before the interior could be refitted. After the case's interior was strengthened, the exterior was cleaned, re-dyed, and then a new leather grip, grip-loops, straps, as well as case-end bolsters were hand-stitched into the case body.

Gun Case Restoration - Huey Gun Cases

In order to encourage our customers in these times of COVID-19 and most of our distributors are closed during lockdown. We have opened our webshop to our end users

File Type PDF Gun Care And Repair A Of Gunsmithing

and temporarily lowered the prices. So that in the time of sitting at home they can finish the jobs at their own home. This is valid during the closure of our distributors.
