At head of title: Parker Publishing presents.

A revelatory memoir about a young woman whose life was stolen when she was kidnapped in 1991 and remained an object of captivity for 18 years.

Give in to your fantasies in this collection from three bestselling authors who explore the delicious consequences of resisting arrest... In Shayla Black's "Arresting Desire," FBI Agent Jon Bocelli never stopped wanting beautiful professor Lucia DiStefano. She's interested in taking her first lover, and he intends to be that man. When her past puts her life in danger, Jon risks everything to save her and prove this fling is forever. In Sylvia Day's "On Fire," Deputy Marshal Jared Cameron investigates a series of arson attacks in a seaside town, the biggest blast of heat comes from sexy fire inspector Darcy Michaels—until their scorching after-hours affair is compromised by a secret from Darcy's past. In Shiloh Walker's "The Unwilling," Mica Greer and her former lover, ex-FBI agent Colby Mathis, once shared an intimate past and a powerful psychic gift. Now, they've been reunited by a bizarre series of murders—and an electrifying passion that could put them both in jeopardy.

Rachel Zoe is an unparalleled fixture in the fashion world known for her unique take on effortless glamour. The designer, stylist, and editor is celebrated for shaping the images of Oscar-winning actresses and creating collections that embody her modern and sophisticated look. Now she wants to help you define your own personal style and incorporate it into all aspects of your life, from your wardrobe to your home to your next dinner party. In these sleek pages, Rachel offers trusted tips and advice-along with style insights from her fellow insiders, friends, and family members. You will find never-before-seen photographs from Rachel's private archives and learn about her personal icons, from Jane Birkin to Coco Chanel. Along the way, she also reminisces about her earliest influences and shares the story of her own style evolution. Whether you're accessorizing a chic black jumpsuit, entertaining friends, or perfecting your Friday night smoky eye, let Rachel Zoe be your guide to living in style.

After three decades of undying adoration, KISS fans will get their first fully authorized and total access look at the band who loves to "rock 'n' roll all nite and party every day!" Twenty years ago, KISS officially revealed the faces behind the stage makeup, and fans all over the world got their first look at the band. Now, in KISS: BEHIND THE MASK, the band's legion of fans and music enthusiasts alike will get to know the men behind the stage personas. After 30 years as a band, KISS are more than just a rock 'n' roll institution-they are legends. For decades, they have consistently remained among the most successful acts in the history of popular music. KISS'

legendary stagemanship and extreme theatrics are well known by two generations of rock fans, and they are already pulling in the next one. Now, through their own words and exclusive material contributed by some of the biggest rock stars in the industry, KISS: BEHIND THE MASK will tell the band's full story.

Perry and Lester invent things: seashell robots that make toast, Boogie Woogie Elmo dolls that drive cars. They also invent entirely new economic systems. When Kodak and Duracell are broken up for parts by sharp venture capitalists, Perry and Lester help to invent the "New Work," a New Deal for the technological era. Barefoot bankers cross the nation, microinvesting in high-tech communal mini-startups. Together, they transform the nation and blogger Andrea Fleeks is there to document it. Then it slides into collapse. The New Work bust puts the dot-bomb to shame. Perry and Lester build a network of interactive rides in abandoned Walmarts across the land. As their rides gain in popularity, a rogue Disney executive engineers a savage attack on the rides by convincing the police that their 3D printers are being used to make AK-47s. Lawsuits multiply as venture capitalists take on a new investment strategy: backing litigation against companies like Disney. Lester and Perry's friendship falls to pieces when Lester gets the fatkins treatment, which turns him into a sybaritic gigolo. Then things get really interesting. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
