I analyzed my friend's handwriting (u0026 tips for doing analyses on the spot)Handwriting Ysis Andrea Mcnichol

My handwriting, never good, had turned into barely legible scrawl. My words jerked across the page like the trails of a snail dunked in crystal meth. The very act of writing was a strain.

Commentary: My handwriting is terrible. Does it really matter?

When it comes to learning, handwriting definitely matters. Photo / 123RF Years of typing and texting have taken their toll. But studies show that we learn and remember more when we write by hand.

My handwriting is terrible. Should I be worried?

But from time to time, you still need to fill out ye olde paper form, which is exactly the moment you realize your handwriting looks, well, not great. It's never too late to improve it.
