Hero: the Life and Legend of Lawrence of Arabia. Michael Korda. JR Books, 784pp, £25. If, for most people, the name Lawrence of Arabia brings to mind the grandeur and drama of David Lean's 1962 film starring Peter O'Toole, they may have gained a misleading impression of the 1916 Arab Revolt, judging by this account of events, but a not entirely inaccurate picture of Lawrence the legend.

The legend of the American frontier is largely the legend of a single individual, Daniel Boone, who looms over our folklore like a giant. Boone figures in other traditions as well: Goethe held him up as the model of Jean-Jacques Rousseau 's "natural man," and Lord Byron devoted several stanzas of his epic poem Don Juan to the frontiersman, calling Boone "happiest of mortals any where."
