The Common Core State Standards currently only include skills associated with English-Language Arts (ELA) and Mathematics. There is currently no science, social studies, or art/music Common Core Standards. This leaves it up to individual states to develop their own set of standards and assessments for these topics.

Pros and Cons of the Common Core State Standards

Common Core remains the law of the land in more than 40 states, and while opposition to the standards remains strong—particularly among Republicans who see it as connect to President Obama (Polikoff, Hardaway, Marsh, & Plank, 2016)—the standards are likely to remain in place for the foreseeable future in many states. Given this
