For safe riding, it's important that you inspect your motorcycle before every journey, and perform all the maintenance we 've recommended. Never exceed load limits, and only use accessories that have been approved by Honda for your motorcycle. Read more about maintenance and pre-ride checks. Are you prepared for life on the road?

Riding safely – Safety – Owners – Motorcycles – Honda

Motorcycle tyres are required by law to have at least 1mm tread depth, but this really is the bare minimum. For the winter months, we recommend having no less than 2mm. This allows your motorcycle higher levels of grip when dealing with standing water, wet roads and leaves, which can be a disastrous combination for bikers.

Winter Motorcycling – Safety – Owners – Motorcycles – Honda

Your Honda is a collection of individual parts that fit together perfectly to create a seamlessly-working whole. By choosing Honda Genuine Maintenance parts for your bike, you're helping to make sure that your Honda will carry on performing the way we designed it: giving you a comfortable ride, superior handling and road-holding qualities, along with the highest standards of protection.
