Hydraulic power units (HPUs) differ from pumps, as an HPU contains a fluid reservoir, multiple pump stages and coolers to keep fluid at a safe working temperature. Performance specifications, physical ...

Hydraulic Power Units Information

A current trend within the injection molding industry is to use electric rather than hydraulic machines. Word on the street is that for machines in the 30- to 300-ton range, between 50 to 70 percent ...

Going from hydraulic to electric: A processor's perspective

Hydraulic fracturing is a method to enhance oil and natural gas extraction from underground geological formations involving injection of a fluid under high pressure in order to crack the rock ...

The Science and Technology of Hydraulic Fracturing

However, these benefits came at a cost: the sticker price of an electric machine was far greater than that of a conventional hydraulic molder. More than 15 years later, the debate on the cost-benefit ...

Electric or Hydraulic?

chair and associate professor of political science and director of HPU, told Wilmington TV station CBS17. Respondents also were asked for what they thought the most pressing issues would be for ...

HPU Poll contains mixed news for Folwell's governor campaign

"There are an awful lot of emotions, an awful lot of perceptions, when you look at the word 'hydraulic' and when you look at the word 'electric'. We would prefer people take those words and put them ...

Electric vs. hydraulic vs. hybrid

May 4-HIGH POINT - A record number of degrees will be bestowed at the 2023 High Point University commencement Saturday that is expected to draw guests from across the country. The university ...

HPU readies record commencement

The contributions also will support the HPU Fund for Extraordinary Education and the Nido and Mariana Qubein Arena and Conference Center. Archipley is the former president and CEO of Centurion Medical ...

Couple give HPU \$1 million

The two most common types of disc brakes on e-bikes are mechanical (also known as cable-actuated) and hydraulic. They both have a lever on the handlebars and a disc rotor on the wheel, but differ ...

Mechanical vs hydraulic disc brakes on electric bikes: The pros and cons of each

Jun. 9-HIGH POINT - High Point University has been recognized as a 2023-24 College of Distinction. This is the 13th consecutive year HPU has been honored in the rankings produced by the Colleges of ...

HPU named to Colleges of Distinction list

HPU President Nido Qubein welcomed an estimated 14,000 people who poured into the area around Roberts Hall where a mammoth stage had been fashioned for graduation. More than students 1,350 graduated.

HPU commencement draws overflow crowd
