Webinar: Light and Lighting Measurement for the EHS Professional Illuminating Engineering Society Lighting Handbook

Foreword The Illuminating Engineering Society was founded in 1906, but it was not until 1947 that the first edition of the Handbook appeared, thus representing the accumulation of 41 years of lighting progress since the Society's founding. In each subsequent edition, IESNA has provided information on an ever-broadening range of technologies, procedures, and design issues. In the ninth edition ...
