A real life of meaning is a life filled with fulfillment, acceptance and purpose. We find it in a relationship with Jesus Christ. No one in human history has made the claims Jesus made and given such great proofs to back them up. He claimed to be God, to be able to forgive sins, and to be the only way through which we can know God the Father.

Real life is a phrase used originally in literature to distinguish between the real world and fictional or idealized worlds, and in acting to distinguish between performers and the characters they portray. More recently, it has become a popular term on the Internet to describe events, people, activities, and interactions occurring offline; or otherwise not primarily through the medium of the ...

~~Real life - Wikipedia~~

Real life is a term used to describe what happens outside the Internet and implies that somehow the Internet furnishes us with a virtual life . Depending on the context, usage of the term may imply one or more of the following:
