~~What it is? Well, it's basically a working accordion (of sorts) created with a couple of Commodore 64s and some old broken floppy disks! So, how on Earth does this work? Well, the Commodore 64 ...~~

**YouTube Reveals Commodordion - Commodore 64 + Accordion = Musical Instrument?!**

8-bit "accordion." [Related: How technology can help you learn a musical instrument.] Readers, please behold the "Commodordion," a ridiculous, adorable musical contraption built using two ...

**This is what polka music sounds like on an accordion of two Commodore 64 computers**

Crazy DIY: A Swedish musician/engineer created a working accordion using two Commodore 64 computers and a bunch of floppy disks. Dubbed the Commodordion, it plays mechanically, just like its ...

**The Commodordion is a Frankenstein accordion made from C-64s and 5.25 floppies**

So the fact that Åkesson is an accomplished accordion player makes little difference. He plays a melody with his right hand on one C64 keyboard and controls the chord of a rhythm and bass line ...

**Swedish makes an accordion from two Commodore 64s**

One thing I never expected to see, however, is a pair of original Commodore 64 computers modded into a delightfully playful accordion. The idea for such a contraption came to Linus Åkesson ...

**Engineer Creates A Playable Accordion Powered By Two Commodore 64s And It's Awesome**

Hugh Gallivan, shown with his accordion Thursday at his Champaign home, plans to take the instrument along on his four shifts as a Salvation Army of Champaign County bell-ringer this holiday ...

**Answering the call for bell-ringers with an accordion and kazoots**

Al Yankovic - aka the parody artist known as "Weird Al" - wants to change the way you think about the accordion. He first learned to play the instrument as a kid in the 1960s. Even back then ...

**'Weird Al' Yankovic wants to 'bring sexy back' to the accordion**

In late October, a Swedish software engineer named Linus Åkesson unveiled a playable accordion-called "The Commodordion"-he crafted out of two vintage Commodore 64 computers connected with a ...

**Swedish engineer creates playable accordion from 2 Commodore 64 computers**

That's a wonderful idea for any accordion set up, even if it isn't made out of two old gaming machines. Because of the addition of the machines, this accordion does require some form of power to ...

**This accordion made out of two C64s is a chip tune delight**

During an interview with ComingSoon, Weird: The Al Yankovic Story star Daniel Radcliffe discussed the difficulties that come with learning how to play the accordion for the biopic parody.

**Daniel Radcliffe Reflects on Learning the Accordion for Weird Al Movie**

Weird Al' Yankovic was impressed by how quickly Daniel Radcliffe learned to play the accordion for Weird: The Al Yankovic Story. To prepare for his portrayal of the parody singer in the satirical ...

**'Weird Al' Yankovic was impressed by Daniel Radcliffe's accordion skills in Weird**

A full schedule of music and dance with roots in South America is on tap this week at Victoria's World Accordion and Tango Festival, which returns to full strength following two years of online ...

**World Accordion and Tango Festival returns to Victoria**

A break and enter investigation resulted in drug charges against a Niagara man and the confiscation of a stolen accordion, court heard Monday. Dustin Landry, 37, appeared in Ontario Court of Justice ...

**Stolen accordion just one sour note for man who pleads guilty to drug charges**

Al Yankovic - aka the parody artist known as "Weird Al" - wants to change the way you think about the accordion. He first learned to play the instrument as a kid in the 1960s. Even back then, he ...
