completely inconsistent so unfortunately I had to chuck it out. Because of my YouTube video on the JN8-48 I tend to get some "fan mail" from Chinese incubator importers and they do insist the newer models are improved

### **Incubator Chinese No name JN 48 Manual | Self Sufficient ...**

Egg turner - In a natural environment the hen turns her eggs in the nest constantly throughout the day so with an incubator this needs to be done either manually or with an automatic egg turner. Turning eggs manually 3 times per day is not only a pain but it's not good for trying to keep a constant temp in the incubator due to the
