Description John Deere
44-inch Snow Blower

The 44-in. (112-cm)
Snow Blower has the

Get Free John Deere 44 Inch

capacity to handle big snow removal jobs. This snow blower works well in all snow conditions and is suited for snow removal around recreational parks, industrial parks, and other applications where snow must be moved greater distances.

The problem is that the snowblowers--as of 1991--are no longer John Deere products, as described at "John Deere Walk Behind Snow Blowers."

Because of several seasons of low snowfall, John Deere departed the snowblower business as an actual manufacturer.
