~~Manuals — KTM~~

I havent tried to go back and download it again since posting it. I notice that the previous manual was zipped and has a superduke.net file name. Maybe one of the boffins could take it from rapidshare, zip it and then do a site relative file address. I had a go at all that but it was beyond me so just posted with rapidshare as suggested.

The recommended fuel is  
specified in the Owner's  
Manual. This must meet the  
requirements of the EN 228  
standard or equivalent, and  
must show the corresponding  
octane number (ROZ...). Do  
not use fuel made from  
methanol (e.g. M15, M85,  
M100) or with a proportion  
of more than 10 % ethanol  
(e.g. E15, E25, E85, E100).
