For starters, the Td5 was designed and built by Land Rover in-house. It brought a raft of then new technology, including entry-level electronic engine management, all of which has proved ...

The best ever Defender engines

The Td5 engine first appeared ... five and six cylinder diesel engines, the five-pot version was the only one that was to see the light of day. To the concern of Land Rover fans, it relied on ...

How to refit injector seals

You just can't kill a Defender in Congo. To a certain extent, the new Land Rover Defender is not exactly a direct replacement for its legendary predecessor. Some may argue about that but in our eyes, ...

This Is The Most Beat-Up Land Rover Defender We've Ever Seen

The sun is setting on V-8s, and gasoline engines in general. But there's just something about a V-8, Jaguar Land Rover says.

In The Electric Vehicle Age, Do People Still Want V-8s? 'You Bet,' Says Jaguar Land Rover

That's what I dubbed the 2022 Land Rover Defender 90 V8 within four minutes of being behind the wheel. Land Rover has taken its incredibly capable new Defender and supercharged it with a V-8 engine to ...

Review: 2022 Land Rover Defender 90 V8 pulls like a hungry dog on a leash

The current Land Rover Defender may be the perfect mix of ruggedness and luxury but if you're looking for a vehicle to take on an epic off-road adventure, this old Defender might be more appropriate.
