Australian Curriculum – LEGO Education
The 2x4x2 brick with studs on sides is used on official LEGO models for instance to create snotted undercarriage in Santa Fe's sets. It is 40 LDU high (5 plates). The others bricks with studs on sides in the illustration are 20 LDU

high Two different type of 1x1 with clip exist. The left plate with clip, which is discontinued, is thinner

The Unofficial LEGO Advanced Building Techniques Guide

Using LEGO bricks is the perfect opportunity for building fine motor skills! LEGO bricks are a great manipulative to work the fingers as children build and even pick up LEGO pieces. Children love the thrill of building and they can do this for hours, building up strong little muscles in their hands that will help them do other skills, such as learn to write.
