Siege of Leningrad - Wikipedia

The siege of Leningrad began on Sept. 8, 1941 and ended after a grueling two-year period on Jan. 27, 1944. After 872 days of starvation, disease, and psychological torment, the citizens of Leningrad were freed. But the city's total population of two million had been reduced to roughly 700,000 — and their surviving psyches forever broken.
