Majority \u0026 Minorities Rights Democracy - A short introduction ~~Majority Rule Minority Rights Essential~~

Democracy Requires Minority Rights. Democracy therefore requires minority rights equally as it does majority rule. Indeed, as democracy is understood today, the minority's rights must be protected no matter how alienated a minority is from the majority society; otherwise, the majority's rights lose their meaning.

~~Majority Rule/Minority Rights: Essential Principles ...~~

Majority Rule, Minority Rights. On the surface, the principles of majority rule and the protection of individual and minority rights would seem contradictory. In fact, however, these principles are twin pillars holding up the very foundation of what we mean by democratic government. Majority rule is a means for organizing government and deciding public issues; it is not another road to oppression.

~~Majority Rule, Minority Rights — Principles of Democracy~~

What it all comes down to is that democracy requires minority rights as much as it does majority rule. As understood today, that means the minority's rights must be protected, no matter how alienated they are from the majority of society. If that doesn't happen, the majority's rights become

The representatives with the most votes then represent the will of the people through majority rule. Minority rights are rights that are guaranteed to everyone, even if they are not a part of the majority. These rights cannot be de eliminated by a majority vote. Minorities must trust that the majority will keep in mind the wishes of the minority when making decisions that affect everyone. The minority today will not necessarily be the minority of tomorrow.

Minority rights exist independently of the universal, non-discriminatory individual rights that are assigned to everyone regardless of racial or ethnic group identification. By enacting minority rights, the government is attempting to ensure that each minority represented has an equal voice in government and society.

~~What Is the Definition of Minority Rights?~~

First, it violates the central democratic principle of majority rule. It allows a minority of 41 senators to control the legislative process and prevent the majority from passing bills. A typical example of this was a 2013 Senate bill to expand background checks for gun ownership – something supported by a huge majority of Americans.
