Make Time
It's all about your rituals. There are several rituals you can easily take advantage of to improve focus – and they are easy to incorporate into your morning routine or even do at work. The first step to better focus is simple: breathe. Discover the power of priming and make it a consistent morning ritual. Priming is the act of adjusting your emotional state – and it's as easy as sitting, breathing and visualizing.

How to Focus | Learn How to Improve Your Focus | Tony Robbins
Select Book next a suggested time to block it on your calendar as "focusing," which silences notifications for uninterrupted focused work. This section will also reference and list any already scheduled focus time in today's calendar. In the following example, you'd select Book next to 3:00 PM – 4:00 PM to schedule you as focusing during that time on today's calendar.
