teaches university/college
students the fundamental
concepts of managerial
accounting in an easy and
concise way to comprehend
fashion. Stimulating review
materials at the end of each
section helps accounting
students develop and hone
their decision-making
skills.

This edition retains the same features that made it popular in the previous editions: it gives students all the necessary techniques and concepts of managerial accounting in a focused, concise framework with an excellent pedagogy that's been praised by instructors. It does this by focusing on the tools students need to succeed.
