Inboard Marine Engines, are selling marine engines, specializing in Volvo Penta and Yanmar inboard engines, but other brands, will be listed from time to time. All engines are used, but in very good condition, low running hours, some of them are even like new. We always do our best, to pick out the best engines for our customers.

[Welcome to Inboard Marine Engines](#)

An inboard engine has two options: D-Drive: With this diesel system, the engine sits in the middle of the craft with the rudder and prop submerged. D-drives don ' t provide a lot of wake, which is why they are suitable for ski boats. V-Drive: The marine diesel engine is found under the transom while the prop and rudder are underneath.
