Hyperion Materials & Technologies launches Precision Solutions by Hyperion®

Locally manufactured Fibertex Universal do-it-yourself (DIY) materials - from construction materials supplier Fibertex South Africa - provide sustainable solutions to multiple drainage, filtration, ...

Material ideal for sustainable, DIY construction

The RPL44 rider pallet truck and PTT60 pedestrian tow tractor feature compact chassis designs and power steering that support operations in material handling applications.

Big Joe Introduces Lithium-powered Material Handling Solutions

Scientists at the University of Virginia School of Medicine and their collaborators have used DNA to overcome a nearly insurmountable obstacle to engineer materials that would revolutionize ...

In DNA, scientists find solution to building superconductor that could transform technology

Infinite Materials Solutions, LLC (Infinite™), an innovator in material design for additive manufacturing, has recently launched AquaSys® General Purpose (GP), a ...

NEW GENERAL PURPOSE 3D PRINTING MATERIAL OFFERS SUPERIOR ALTERNATIVE TO PVA

Eurowindow Joint Stock Company cooperated with the Department of Building Materials, Science - Technology and Environment ...

Workshop on "Construction material solutions to meet green buildings with sustainable architecture"

Young entrepreneurs are coming up with sustainable and innovative businesses that are creating job opportunities and boosting the circular economy in South Africa. And they have no intention of ...

Sustainable solutions for a new generation of self-starters

In its heyday, UIUC's Blue Waters was one of the world's top supercomputers. Anyone who was curious could drop by its 30,000-square-foot machine room for a tour, and spend half an hour strolling among ...

Researcher is studying materials whose traits resemble those of the human brain

Applied Materials (NASDAQ: AMAT), and Ambarella (NASDAQ: AMBA) rallied in July, up 21.8%, 16.5%, and 32.2%, respectively, according to data from S&P Global Market Intelligence. The broader ...

Why ASML Holding, Applied Materials, and Ambarella Soared in July

That's especially true in cities where all the concrete and asphalt absorb tons of heat, making urban areas vastly hotter than surrounding areas. This phenomenon is called the "urban heat island" ...

Solutions for a hotter world: sunblock for pavements, armies of trees, and one 400ft hole

Advanced technologies like phase change materials are key to achieving these goals while offering sustainable and durable solutions to its customers. Both companies have initiated work plans to ...

Phase Change Solutions Poised for Continued Growth and Innovation with Partnership and Investment from GAF

Allied's extensive supply of material handling & packaging products provides customers with comprehensive, end-to-end solutions for moving, ...

Allied Electronics & Automation Offers a Comprehensive Range of Ready-to-Ship Material Handling & Packaging Solutions

Microgrid Solutions market Global, analyzes and researches the Instant Payments development status and forecast in United States, EU, Japan, China, India and Southeast Asia. This ...

Microgrid Solutions Market 2022 Global Industry Size, Outlook, Share, Demand, Manufacturers and 2028 Forecast

Ingevity Corporation has reached an agreement to acquire privately-owned Ozark Materials, LLC and Ozark Logistics, LLC.
