The TABE (Test of Adult Basic Educations) Exams are a set of tests covering the areas of reading, math, and language. The TABE is designed to certify that a student has the academic skills normally acquired by completing a typical high school program of study. The TABE may be used as an entrance or placement exam by trade schools, technical schools, or community colleges. Some adult education or GED study programs also make use of the TABE.

TABE Test. The Test for Adult Basic Education (TABE) is a diagnostic test used to determine a person's skill levels and aptitudes. Many companies use it in hiring, promotions, or for selecting employees for training programs for skilled positions. The TABE test is also used by public service agencies who are guiding people into adult education programs, such as getting a GED, going to trade school, etc.
