(including the 2020 Math Video Challenge Finals), originally scheduled May 9-12, is canceled. We understand the inconvenience and disappointment this causes for volunteers, participants and their families. Over the coming weeks, MATHCOUNTS will be working to process National Competition event refunds and identify alternative ways to recognize the students who would have attended the National Competition.

The Target Round contains eight problems, presented in four pairs of two. Students have six minutes to work on each pair of problems. Calculators may be used during this round. The problems in the Target Round are usually more difficult than most of the problems in the Sprint Round. Each correctly answered problem is worth two points.
