16 Practice Questions for the 70-315 Exam Instructions for the MCSD Practice Test: Begin The Test. Read the question and then click on the checkbox that contains the correct answer(s). The small field to the immediate right of the question will either display "Yes" if you are correct or "No" if you have selected the wrong answer. Click on the "Explanation" button to find out more about the ...

Free MCSD Practice Test 70-315 - ThoughtCo

Exam 70-534, Architecting Microsoft Azure Solutions: This exam mostly uses case studies, testing if you can turn requirements into specific actions in Azure. Due to the breadth of the non-disclosure agreement and certification exam policies I signed, I can't be more specific about what's in the exams.

Practice Tests Helped Me Pass The MCSD – Azure Solutions ...

MCSD Architectures Exam Prep explains what Microsoft says you should know in order to pass the MCSD Solution Architectures exam (70-100). Generally, it describes ways of getting a handle on problems and designing systems that solve them. It also delves into Microsoft products and the development tools you can use to integrate them. The book sticks with the popular format of the Exam Prep ...

The MCSD App Builder credential is the only one at this level. One is required to have the MCSA Universal Windows Platform or Web Applications certification, and then pass one of the six exams available. Once the students attain the minimum required points, which are 700/1000 for most Microsoft exams, they are issued with a certification.
