Milliman criteria or care guidelines are a set of health care standards and clinical practices that help determine the preferred course of treatment in medical situations. The standards appear in the Milliman Care Guidleines and encompass extensive research and analysis of treatment results that health care practitioners submit.

What Are Milliman Criteria Guidelines? - Reference.com
SEATTLE, Wash., Jan. 20, 2004 – Milliman Care Guidelines, a division of Milliman USA, today announced that it is providing its Milliman Care Guidelines® to Quality Improvement Organizations (QIOs) free-of-charge. This program will give QIOs access to Milliman’s evidence-based medical criteria, for use in their quality and appropriateness reviews of Medicare and Medicaid patients, including Long Term Acute Care Hospital admissions.

Milliman Care Guidelines Now Offered Without Charge To ...
Milliman Health Trend Guidelines™ (HTG) give insurers, healthcare providers, and employers monthly information on healthcare expenditures and utilization for individuals enrolled in commercial insurance plans in the United States. The Trend Guidelines are updated with 12-month trailing data each month, serving as a vital tool and benchmark for negotiations for plan renewals, the setting of trend guarantees, forecasting, premium rate development, and many other applications.
