This module helps middle school students develop a greater awareness and appreciation of themselves in relationship to others, school, and the world of work. In the module, students will also have an opportunity to become aware of, explore, and develop personal interests, attitudes, and aptitudes and to understand the life career concept.

Module B: Self Awareness - Florida Department of Education
Public self-awareness is the awareness of how we appear to others, while private self-awareness refers to our ability to be aware of and reflect on our internal states. An important part of self-awareness is the realistic and non-judgemental assessment of your resources and abilities.

How To Improve Self-Awareness: 4 Actionable Methods
Acquiring self-awareness is a process that is not easily achieved. Once people form conceptions of themselves, they frequently seek out information that only validates or reinforces their self-concept, rather than challenges or invalidates their sense of self. This can hinder or prevent an honest, accurate, and complete understanding of one's self. This chapter discusses these barriers to self-awareness as well as ways to overcome them. Objectives. By the end of this module, a successful ...
