whether as Testers, AEs or DVSA staff, on how this discretion will normally be applied and:- a. explains the procedures normally to be followed when DVSA becomes aware that a Tester and/or AE may not be maintaining

## MOT Testing Guide: Discipline

The MOT test is an annual test of vehicle safety, roadworthiness aspects and exhaust emissions required in the United Kingdom for most vehicles over three years old used on any way defined as a road in the Road Traffic Act 1988; it does not apply only to highways but includes other places available for public use, which are not highways. In Northern Ireland the equivalent requirement applies after four years. The requirement
