“When it comes to love triangles, Naomi Wood’s edgy second novel skilfully sketches the skewed geometry of Ernest Hemingway’s fraught relationships... Mrs Hemingway is a memorably sharp portrait of the contemporary social and literary milieu...Showing what happens when words fail us, Mrs Hemingway is also a testament to the power of words and the language that remains, even after love has long gone.”

Mrs. Hemingway. by. Naomi Wood (Goodreads Author) 3.83 · Rating details · 8,036 ratings · 833 reviews. A riveting tale of passion, love, and heartbreak, Mrs. Hemingway reveals the explosive love triangles that wrecked each of Hemingway's marriages. The Paris Wife was only the beginning of the story... Paula McLain's New York Times bestselling novel piqued readers' interest about Ernest Hemingway's romantic life.

*Mrs. Hemingway by Naomi Wood - Goodreads*

Although a work of fiction, Mrs Hemingway has a real feel of truth and I was interested to see the references to Naomi Wood's research. This book works really well at a couple of levels; a work of fact and fiction. It's a compelling tale of multiple love triangles. Hemingway is the fixed central point, the sun around whom all revolve.
