My Sister the Moon book by Sue Harrison - ThriftBooks
A second foray into prehistory by the author of Mother Earth Father Sky (1990). And we're definitely talking prehistory, circa 7000 B.C., in the Aleutian Islands, where the sons of the orphan Chagak and her chieftain husband, Kayugh (both of the First Men tribe, and from Harrison's first book), share a passion for the same woman—Kiin, the viciously abused daughter of Grey Bird. When Kiin ...
