Never Be Lied to Again is bursting with tested tips like this for quickly determining when you're being boondoggled. Body language, facial expressions, sentence structure, and word choice can all reveal when someone is lying, says psychologist David J. Lieberman, and he includes 46 of these "clues to deception" to help you, including tricks for framing questions without putting others on the defense.

Never Be Lied to Again: How to Get the Truth In 5 Minutes ...

Excerpts from "Never Be Lied to Again" In an ideal society there would be no need for lies. But we live in a world of deception. And whether you want to play or not, you're in the game. The question is, do you want to win? Once you realize that you're being lied to, should you con-front the liar immediately? Usually not. The best approach is
