Next, the securely attached "legs" are two flexible, fully moldable 6" Nite Ize Gear Ties, which can be bent, wrapped, or twisted in many configurations, to sit, stand, store, or shine the flashlight. Wrap the legs around the body for compact storage and transport. And, finally, its lightweight plastic S-Biner clip allows you to attach, hang ...

The Nite Ize Pet products were born out of our abiding appreciation for all the Fidos, Busters, Mooses and Maxes out there, as well as the people who love them. Each one is designed to keep dogs visible and safe when the lighting is poor, and we're very proud of the fact that owners who use them breathe a little easier while walking, camping or playing with their dogs at night.
