Non-Referential Architecture: Ideated by Valerio Olgiati ...

Non-Referential Architecture is nothing less than a manifesto for a new architecture. It brings together two leading thinkers, architect Valerio Olgiati and theorist Markus Breitschmid, More than ever, architecture is in need of provocation, a new path beyond the traditional notion that buildings must serve as vessels, or symbols of something outside themselves.

Non-Referential Architecture: ideated by Valerio Olgiati ...

In a world that itself increasingly rejects ideologies of any kind, Olgiati and Breitschmid offer Non-Referential Architecture as a radical, new approach free from rigid ideologies. Non-referential buildings, they argue, are entities that are themselves meaningful outside a vocabulary of fixed symbols and images and their historical connotations.

Non Referential Architecture By Valerio Olgiati Markus ...

Non-Referential Architecture is a response to a contemporary societal current that increasingly rejects ideologies of any kind, political and otherwise. While ideologies were the innovation of modernity and postmodernity, the non-referential world is increasingly devoid of ideologies or it rejects to order the world in ideological ways. Valerio Olgiati has worked on the possibilities of a Non-Referential Architecture for years.

Non-Referential Architecture - Wikipedia

In a world that itself increasingly rejects ideologies of any kind, Olgiati and Breitschmid offer Non-Referential Architecture as a radical, new approach free from rigid ideologies. Non-referential buildings, they argue, are entities that are themselves meaningful outside a vocabulary of fixed symbols and images and their historical connotations.

Referential [] Dort gibt es die besten Ausführungen!

Since 2013, Olgiati and Breitschmid propagate Non-Referential Architecture as a response to a contemporary societal current that increasingly rejects ideologies of any kind, political and otherwise. The first use of the term Non-Referential appears in a reprint of an interview between Olgiati and Breitschmid in the Italian journal Domus.
