The NZXT Phantom at my first glimpse gave me that wow  
feeling. The further and further I got into reviewing this case,  
the more that I enjoyed it. The case is built with enthusiasts  
in mind. It has plenty of features anyone would want with a  
sleek and sex more.. Think Computers 10/20/2015.

The Phantom 820 White has maximum cooling, maximum  
performance. The NZXT Phantom 820 ultra tower is  
designed to accommodate even the most demanding  
systems. The top of the line largest case in the NZXT family  
specifically designed for the PC Gaming enthusiast.

## Phantom 820 White PC Gaming Case - Computer Gaming Case | NZXT

The NZXT Phantom 530 full tower case builds upon the  
strengths of the original Phantom, and takes them to the  
next level. Keep your build design super clean with the White  
version of the Phantom 530 PC gaming case.

## Phantom 530 White PC Gaming Case - NZXT | Gaming PC ...

In the end, the NZXT Phantom 410 is an outstanding case  
that has a lot to offer. With plenty of room and liquid cooling  
options, the Phantom 410 would be great for an enthusiast,  
while the mostly tool-less design makes it great for amateur
