MEE QUESTION 3 . In 2015, a man purchased a convenience store that sells gasoline and snack-type grocery items. The man's store is located within two miles of three other convenience stores that are larger and contain small dining areas. When he bought the store, the man planned to expand it as

July 2018 New York State Bar Examination MEE & MPT Questions

Sample behavioral interview questions and answers. Behavioral interview questions vary widely, and there's no sure-fire way to predict the exact questions you'll be asked. The good

news, however, is that these questions tend to relate to common themes, such as teamwork, leadership, conflict, and problem solving.
