The terms  
organizational  
culture and  
organizational  
climate get  
thrown around a

# Where To Download

lot, often interchangeably. But they're not the same thing – and the distinction is important. What is organizational culture? Simply put, organizational culture is your company

# Where To Download

identity. It's  
your values and  
the norms that  
have arisen  
organically over  
time.

What is  
Organizational  
Climate?

# Where To Download

Organizational  
climate is the  
shared  
perceptions and  
attitudes about  
the  
organization.  
The most visible  
area of a focus  
on culture that  
is actually  
climate is all  
the effort to  
measure and

The main  
distinction  
between  
organizational  
and national  
culture is that

# Where To Download

people can choose to join a place of work, but are usually born into a national culture.

Organizational climate, on the other hand, is often defined as the recurring patterns of behavior,

# Where To Download

attitudes and feelings that characterize life in the organization, while an organization culture tends to be deep and stable. Although culture and climate are related, climate often proves

# Where To Download

easier to assess  
and change.

*Organisation*
