Other Electricities: Stories by Monson, Ander (2005 ... Monson's Other Electricities is collection of delicate and moving short stories, or rather "shorts" that piece together the life of a group of friends and families who are coping with death, love loss, boredom, malaise. The best story in this book remains the title piece, that to me seems the heart of the entire book.

Other Electricities: Stories by Monson, Ander - Amazon.ae

Overview Uncompromising, hypnotic and darkly humorous, Other Electricities charts a new and strange direction in American fiction. “ Like Franklin ’ s discovery of the electricity we do know, Monson ’ s luminous, galvanized book represents a paradigm shift. The frequencies of the novel have been scrambled and redefined by this elegant experiment.

For those wishing to visit the Keweenaw Peninsula, I would suggest reading Ander Monson's short but dense Other Electricities. It is a complex yet fascinating collection of stories or vignettes composing the gestalt of Michigan's UP. Sometimes direct, sometimes poetic, though always ethereal, Other Electricities deals with the hardness of ...

Amazon.com: Customer reviews: Other Electricities: Stories
Other Electricities is a novel by Ander Monson. It is Monson's first novel, and is described by him as a work of poetry, fiction and nonfiction.

Other Electricities - Wikipedia

I left but then returned in the after of after, when the world was mostly smoke and the air was completely ruined, without telling my husband or his other wife, those other girls with his eyes and her hair that I found under the stairs. We had agreed to leave it all behind. The silver vessels. The 132 Couroc trays I had collected. Our wedding ...
